CONFERENCE PROGRAMME

20th edition of the International Exhibition

PHOTONICS. WORLD OF LASERS AND OPTICS 2026

Timiryazev Centre, Moscow, Russia

Organised by

ЛАЗЕРНАЯ АССОЦИАЦИЯ
Международная научно-техническая организация

31 March (Tuesday)

<p>10:00–11:30 Photon Conference Hall, Vavilov Hall, Floor 1</p>	<p>Panel on the Issues of Development of Artificial Vision Systems and the Component Base of These Systems under the Russian Technology Programme on Photonics and Optoelectronics</p>
<p>10:00–12:00 Witt Conference Hall, Floor 2</p>	<p>Panel on Training Personnel for the Photonics Industry Summing up the results of the final qualifying papers competition</p>
<p>12:00 Photon Conference Hall, Vavilov Hall, Floor 1</p>	<p>Official Opening Ceremony of the 20th Anniversary International Exhibition of Laser, Optical and Optoelectronic Technologies – Photonics. World of Lasers and Optics 2026</p>
<p>13:00–16:00 Photon Conference Hall, Vavilov Hall, Floor 1</p>	<p>Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Laser Macroprocessing of Industrial Materials</p>
<p>13:00–16:00 Witt Conference Hall, Floor 2</p>	<p>Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Semiconductor Photonics. Nanophotonics</p>
<p>13:00–16:00 Sokolov Conference Hall, Floor 1</p>	<p>Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Optical Assemblies and Components in Photonics</p>
<p>16:00–19:00 Photon Conference Hall, Vavilov Hall, Floor 1</p>	<p>Plenary Session of the 14th Congress of the Photonics Technological Platform and the Conference of the Laser Association for Elections to the Board of National Experts</p>

	Summing up the results of the competition of the Laser Association for the best Russian development in the field of photonics
16:00–18:00 Witt Conference Hall, Floor 2	Open Extended Meeting of Rosstandart Technical Committee 296 ‘Optics and Photonics’
1 April (Wednesday)	
10:00–13:00 Photon Conference Hall, Vavilov Hall, Floor 1	Extended Meeting of the Council for Optics and Photonics of the Department of Physical Sciences of the Russian Academy of Sciences
10:00–13:00 Witt Conference Hall, Floor 2	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Fiber Optic Communication Lines and Their Components –
10:00–13:00 Sokolov Conference Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Laser Microprocessing in Microelectronics, Instrumentation, Engraving, and Marking –
13:00–16:00 Photon Conference Hall, Vavilov Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Photonics in Agriculture and Nature Management –
13:00–15:00 Witt Conference Hall, Floor 2	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Quantum Technologies
13:00–16:00 Sokolov Conference Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Control, Measurement and Diagnostic Technologies in Photonics –
15:00–17:00 Witt Conference Hall, Floor 2	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Holographic Technologies –
16:00–18:30 Photon Conference Hall,	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform

Vavilov Hall, Floor 1	Optical Sensorics –
16:00–18:30 Sokolov Conference Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Photonics in Medicine and Life Sciences Open meeting of Working Group 9 of the Photonics Technology Platform and the Scientific and Technical Council on Biomedical Photonics
17:00–18:30 Witt Conference Hall, Floor 2	Panel on Russian-Chinese Cooperation in Photonics
2 April (Thursday)	
10:00–13:00 Photon Conference Hall, Vavilov Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Radiophotonics and Integrated Photonics –
10:00–12:00 Witt Conference Hall, Floor 2	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Laser Information Systems
12:00–14:00 Witt Conference Hall, Floor 2	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Photonics Technologies for Analytical Instrumentation
13:00–16:00 Photon Conference Hall, Vavilov Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Optoelectronic Systems and Components
13:00–16:00 Sokolov Conference Hall, Floor 1	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Photonics in Navigation, Geodesy and Open Communication Lines
14:00–16:00 Witt Conference Hall, Floor 2	Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform Metrology Support for Photonics

<p>16:00–18:30 Photon Conference Hall, Vavilov Hall, Floor 1</p>	<p>Scientific and Practical Conference of the 14th Congress of the Photonics Technological Platform</p> <p>Fiber Light Guide and Fiber-Optic Components</p> <p>–</p>
<p>16:00–18:00 Witt Conference Hall, Floor 2</p>	<p>Panel on the Support of Innovation Activities in Russia</p>
